

# How to determine if you will get a Non-pressure ulcer Field Test report

Check your eligibility in 2024 here: [Check Eligibility](#)

To have been eligible (meaning, required to participate) in the 2024 MIPS program, clinicians must have met the following criteria:

- Bill more than \$90,000 in Medicare Part B allowed charges under the Physician Fee Schedule (PFS) services per year.
- Provide covered professional services to more than 200 Medicare beneficiaries per year
- Offer more than 200 covered professional services under PFS per year.
